### **International Fairs and Expositions Contest Results Announced**

Springfield, MO – The     (fair name)     received an Award of Excellence in the Competitive Exhibits contest through the International Association of Fairs and Expositions (IAFE).

“Each entry into the annual IAFE contest is evaluated based on criteria set forth by industry committee members. Being recognized as a contest winner is an accomplishment many fairs strive to achieve throughout the year. With the unusual year came many challenges to our industry, but the contest program was still able to showcase the best programs across the world” Brittney Harper, Member Services Coordinator, said.

The awards were presented during the virtual IAFE event, Virtual Vision, on December 1, 2020. The Competitive Exhibits contest received 75 entries, showcasing a vast array of promotional tactics used at fairs across the world. Competitive Exhibits awards are sponsored by North American Midway Entertainment, headquartered in Indiana.

The five categories within the competitive exhibits awards are divided into five divisions by fair attendance. After submission, entries are judged based upon predetermined criteria set forth by IAFE committees. Judges include industry professionals both within, and outside of, the IAFE membership.
